HOW TO MEASURE:

BUST

With your bra on, measure loosely around the fullest part of your bust. Don't let the tape droop. Write down this number. This is your bust size.

WAIST

Measure around the narrowest part of your natural waist generally around the belly button area to ensure a comfortable fit. Do not pull the measuring tape too tightly.

HIPS

With your feet approximately 6" apart, measure around the fullest part of your hips.

For the most accurate measurements, measure over your undergarments
